OFFICE ORDER

It has come to our attention that some students are significantly neglecting regular classes due to the availability of special classes sessions provided for those facing examination debarment owing to low attendance.

Attendance plays important role in academic advancement and is imperative for upholding the integrity of the educational framework. It is therefore essential for all students to comply with the attendance policies stipulated by the University.

In response to this issue, the University has made the decision that **henceforth, no special debarment classes or examinations will be arranged for students who fail to meet the University's attendance criteria, which stands at 75%.**

HODs are requested to inform the students of their department.
